**CONFERENCE COMMITTEE REPORT  
SENATE BILL 180****A BILL TO BE ENTITLED  
AN ACT**

relating to setting the funding level of certain education finance components in the General Appropriations Act and to tuition for certain public school students not domiciled in Texas.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Section 16.151, Texas Education Code, as amended, is amended to read as follows:

Sec. 16.151. OPERATING COST ALLOTMENT. Each school district shall be allotted an operating cost allotment of ~~[\$128 for each student in average daily attendance during the 1979-1980 school year and]~~ \$139, or a greater amount provided by the General Appropriations Act, for each student in average daily attendance ~~[each school year thereafter]~~.

SECTION 2. Sections 16.176(b) and (g), Texas Education Code, as amended, are amended to read as follows:

(b) Each school district which is eligible and which also receives aid under the national school lunch program is eligible to receive an allotment of \$44, or a greater amount provided by the General Appropriations Act, for each educationally disadvantaged pupil enrolled in its public schools. For purposes of the allocation made pursuant to this section, the number of educationally disadvantaged pupils in each district shall be determined by averaging the best six months' enrollment in the free and reduced lunch program for the school year preceding the biennium in which the allocation is made ~~[1978-1979 school year]~~.

(g) The legislature in each General Appropriations Act shall set a limit on the amount of funds that may be expended under this section each year. If the total amount of compensatory education aid required by this section exceeds the limit set by the legislature ~~[\$42,900,000 per year]~~, each district's allotment shall be reduced proportionately until the amount of aid allocated equals that limit ~~[\$42,900,000 per year]~~.

SECTION 3. Section 16.252, Texas Education Code, as amended, is amended to read as follows:

Sec. 16.252. LOCAL SHARE OF PROGRAM COST. (a) Each ~~[For the 1981-1982 school year and each year thereafter, each]~~ school district's share of its guaranteed entitlement under the Foundation School Program shall be an amount equal to the product of an index rate of .0016, or a different rate provided by the General Appropriations Act, multiplied by the index value of property determined pursuant to Section 11.86 of this code. The commissioner of education shall utilize the official biennial report of the State Property ~~[School]~~ Tax ~~[Assessment Practices]~~ Board estimates of index value in each school district for determining the local fund assignment.

(b) ~~No [For the 1979-1980 school year, each school district's share of its guaranteed entitlement under the Foundation School Program shall be an amount equal to the product of an index rate of .0015 multiplied by the full market value of property in the district determined by Subsection (d) of this section or the product of an index rate of .00175 multiplied by the index value of property in the district determined by Subsection (e) of this section, whichever amount is smaller.~~

~~[(c) For the 1980-1981 school year, each school district's share of its guaranteed entitlement under the Foundation School Program shall be an amount equal to the product of .0016 multiplied by the index value of property in the district determined by Subsection (e) of this section.~~

~~[(d) In determining the full market value of property, the commissioner of education shall utilize the official 1979 report of the School Tax Assessment Practices Board estimates of market value with the following adjustments:~~

~~[(1) deduction of Category N (Intangible Personal Property); and~~

~~[(2) deduction of that portion of Category M (Personal Property) which represents the estimated value of household and farm personal property exempt under the provisions of Article VIII, Section 1, of the Texas Constitution;~~

~~[(3) deduction of that portion of Category H (Motor Vehicles) which represents the estimated value of motor vehicles exempted from school district taxation under the provisions of House Bill 1060, Acts of the 66th Legislature, Regular Session, 1979;~~

~~[(4) deduction of estimates of the value of homestead exemptions granted under the provisions of House Bill 1060, Acts of the 66th Legislature, Regular Session, 1979.~~

~~[(e) In determining the index value of property, the commissioner of education shall make the following adjustments to the full market value of the district:~~

~~[(1) deduction of the market value of open space land devoted to agricultural production; and~~

~~[(2) addition of the agricultural productivity value of open space land devoted to agricultural production.~~

~~[In making the calculations described in this subsection, the commissioner of education shall utilize wherever possible data provided by the School Tax Assessment Practices Board.~~

~~[(f) For the 1979-1980 school year and each year thereafter, no] district's local fund assignment as determined pursuant to this section shall exceed 120 percent of its prior year's local fund assignment.~~

(c) ~~[(g)]~~ The commissioner of education shall adjust the values reported in the official report of the State Property [School] Tax [Assessment Practices] Board to reflect reductions in taxable value of property resulting from natural or economic disaster after January 1 in the year in which the valuations are determined. The decision of the commissioner of education shall be final. Appeals of district values shall be held pursuant to Subsection (d) of Section 11.86 of this code.

(d) ~~[(h)]~~ A district need not raise its total local share of its program cost.

SECTION 4. Section 16.254(d), Texas Education Code, as amended, is amended to read as follows:

(d) Notwithstanding ~~[the provisions of]~~ Subsection (b) of this section, ~~[for the 1979-1980 school year and each year thereafter,]~~ no school district shall receive less state aid, plus pay raises exclusive of service increments~~[-]~~ for foundation personnel provided by Section 16.055(b) of this code, per student in average daily attendance than it received per student in average daily attendance under the total of the Foundation School Program for the 1980-1981 [1978-1979] school year added to the amount received for that year under Subchapter D, Chapter 20 of this code.

SECTION 5. Section 16.301, Texas Education Code, as amended, is amended to read as follows:

Sec. 16.301. DETERMINATION OF EQUALIZATION AID ENTITLEMENT. The amount of state equalization aid to which a district is entitled is determined by the formula:

$$SEA = \frac{DPV/ADA}{1 - (SPV/ADA \times 1.10)} \times ADA \times MAXENT$$

where

"SEA" is the state equalization aid guaranteed to the district;

"DPV/ADA" is ~~[the average of the district's full market value of property and index value of property as used in determining the district's local fund assignment for the 1979-1980 school year and]~~ the average of the district's market value and index value of property as determined pursuant to Section 11.86 of this code ~~[for the 1981-1982 school year and thereafter,]~~ divided by the number of students in average daily attendance in the district, which for districts not offering a kindergarten through grade 12 program includes the average daily attendance of eligible students transferred to other school districts in grades not taught by the resident district;

"SPV/ADA" is ~~[the average of the total statewide full market value of property and index value of property used in determining local fund assignment for the 1979-1980 school year and]~~ the average of the total statewide market value and index value of property as determined pursuant to Section 11.86 of this code ~~[for the 1981-1982 school year and thereafter,]~~ divided by the total number of students in average daily attendance in the state;

"MAXENT" is the maximum entitlement per ADA, which ~~[for the 1979-1980 school year is \$275 and for the 1980-1981 school year thereafter]~~ is \$290 or a greater amount provided by the General Appropriations Act;

"ADA" is the number of students in average daily attendance in the district.

SECTION 6. Section 16.303(b), Texas Education Code, as amended, is amended to read as follows:

(b) The legislature in each General Appropriations Act shall set a limit on the amount of funds that may be expended under this subchapter each year. If the amount of state aid required by this subchapter exceeds the limit set by the legislature [\$202 million for the 1979-1980 school year or \$215 million for the 1980-1981 school year], the amount of state equalization aid guaranteed to each district shall be reduced proportionately until the total amount of funds required equals that limit [\$202 million or \$215 million, as applicable].

SECTION 7. Sections 11.33(a)(6) and (a)(8), Texas Education Code, as amended, are amended to read as follows:

(6) The state shall allot and pay to each approved center annually an amount determined on the basis of not to exceed \$1, or a greater amount provided by the General Appropriations Act, for each ~~[per]~~ scholastic in average daily attendance for the next preceding school year in the district or districts that are participants in an approved center. The funds or amount provided by the state shall be used only to purchase, maintain, and service educational media or equipment for the center which have prior approval of its Regional Board of Directors and the State Board of Education through its budgetary system.

(8) Annually, pursuant to such rules and procedure as may be prescribed by the State Board of Education, the governing board of each center shall determine the rate per pupil based on average daily student attendance the next preceding school year, not to exceed the ~~[\$1]~~ limit prescribed in this subsection, which shall constitute the basis for determination of total amount to be transmitted by participant districts to the center and as matching funds from the state's contribution to this program.

SECTION 8. Section 11.33(b)(3), Texas Education Code, as amended, is amended to read as follows:

(3) The State Board of Education annually shall approve a state assistance allotment for computer services to be paid to eligible Regional Education Service Centers that qualify, and in an amount to be determined under rules and regulations adopted by the State Board of Education for that purpose; provided that the allotment amounts here authorized to be granted by the State Board of Education shall not exceed in any year a sum equal to \$1, or a greater amount provided by the General Appropriations Act, multiplied by the average daily attendance in the public schools of Texas as determined for the next preceding school year.

SECTION 9. Subchapter B, Chapter 21, Texas Education Code, as amended, is amended by adding Section 21.0312 to read as follows:

Sec. 21.0312. TUITION FOR CERTAIN MILITARY DEPENDENTS. A school district may charge tuition for the attendance of a student who is not domiciled in Texas and resides in military housing that is exempt from taxation by the district. The tuition rate may not exceed an amount equal to the district's average expenditure per student from local funds.

"SECTION 10. Amend the Texas Education Code, Chapter 16, by adding a new Subchapter K to read as follows:

Subchapter K. School Finance Studies.

Sec. 16.503. By July 1, 1982, the Texas Education Agency shall have conducted a study of school finance and shall reflect the results of the study in

the Agency's recommendations to the Legislative Budget Board regarding state appropriations for the 1983-84 and 1984-85 school years. The study shall include but not be limited to local property tax burden variance in purchasing power of the dollar in different types of school districts as compared to state average. The study shall also consider the development of alternative finance formulas and/or formula adjustments for use by the Legislative Budget Board and the legislature.

SECTION 11. Section 16.106(f), Texas Education Code, is repealed.

SECTION 12. This Act takes effect beginning with the 1981-1982 school year.

SECTION 13. The importance of this legislation and the crowded condition of the calendars in both houses create an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days in each house be suspended, and this rule is hereby suspended, and that this Act take effect and be in force according to its terms, and it is so enacted.

The Conference Committee Report was read and was filed with the Secretary of the Senate.
